## TECHNICAL SKILLS

+ C, C#, C++
+ Python
+ SQL
+ Unix
+ HTML/CSS
+ PHP
+ JavaScript
+ VBA (Excel)

PERSONAL SKILLS

+ I like to give my help and knowledge to my colleagues
+ Self-taught, I can quickly learn new technologies
+ Driver's license holder

LANGUAGES

+ French (Native)
+ Anglais (B2)

INTERESTS

Video Games: I love the way we interact with universes.

Ethical Hacking: Trying to penetrate a system has something exciting.

Badminton: Not at a competitive level. It allows me to relieve my stress.

JOB OBJECTIVE

I am a French second-year computer science student with a passion for new technologies. I understand the importance of system security, and I would like to develop my knowledge through professional experience in this field. Self-taught in computer science since adolescence, my rapid training allows me to quickly adapt to the needs of companies.
